

PA FAIR Swine Health Requirements for Departments 5, 10, 11

1. Immediately prior to unloading at the exhibition, all swine must be visually inspected and found to be free of signs of contagious disease by an accredited veterinarian or swine health monitor appointed by the fair board or livestock show committee.
2. All swine at an exhibition must be inspected daily by a certified swine health monitor appointed by the fair or show/event organizers.
 - (i) Swine health monitors must complete annual online training found at extension.psu.edu/Pennsylvania-show-and-fair-swine-health-monitor-training.
 - (ii) Swine health monitors must provide a current completion certificate to the fair or show staff they will be performing monitoring services for prior to the start of the event.
3. All market swine exhibited in Department sponsored or funded market shows shall move as all-in and all-out directly to a Department or USDA licensed slaughter facility following the animal exhibition and may not be diverted to premises other than a recognized slaughter establishment or a slaughter market in which the sales are designated slaughter-only sales. Shows should keep records of all sales for a minimum of 2 years and provide these upon request to the Department.
4. A Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of the exhibition.
5. Official identification is required for all swine and must be an official 840 series RFID ear tag. This number must appear on the CVI.
6. Recommendation: Extra-label use of the rabies vaccine in this species should be discussed with the exhibitor's veterinarian.

DEPARTMENT 5 SWINE

Mike Lydic, Superintendent

7. Shows that are not sponsored by or that do not receive funding from the Department, including jackpot shows and 4-H roundups, not occurring during a Department sponsored or funded fair or show are exempt from the terminal slaughter requirement only if the following conditions are adhered to:
 - (a) The swine shall be accompanied by a Certificate of Veterinary Inspection issued within the 30 days prior to the date of the exhibition and shall be permanently identified by an 840 series RFID identification ear tag.
 - (b) Arrival, exhibition and departure of the swine shall occur within a 72-hour window. Time begins when the first swine arrives physically on the exhibition grounds, whether unloaded from a trailer or not, and ends when the last hog physically leaves the premises on a trailer.
 - (c) There shall be no public access to the animals other than observation during competitions.
 - (d) An accredited veterinarian or trained swine health monitor shall have visually inspected the animals prior to unloading and found each animal to be free of signs of contagious disease.
 - (e) An accredited veterinarian or trained swine health monitor shall monitor and record the health of the pigs daily for signs of contagious disease, and the accredited veterinarian shall immediately report suspicion of disease to the State Animal Health Official.
 - (f) A Veterinary-client-patient-relationship is established between the show committee/management staff and an accredited veterinarian, and that veterinarian is readily available for health monitoring, emergency coverage, treatment, follow up evaluation, and prompt reporting of suspicion of disease to the State Animal Health Official.
8. A conveyance used for the transportation of swine to animal exhibitions, fairs and shows shall be cleaned and disinfected by an exhibitor prior to each use and shall be free of visible accumulations of manure, bedding and other organic materials.
9. At the conclusion of swine animal exhibitions, fairs and shows and after all swine have left the premises, the livestock show committee shall ensure all holding pens and animal exhibition areas have had all bedding and other organic material removed and all areas, including fences, gates, stalls, holding pens, containers, housing, coming in contact with or through which swine were moved shall be put through the livestock show committee's cleaning and disinfection process.

DEPARTMENT 5 SWINE

Fair Requirements for Departments 5, 10, 11

In cases where there is NO competition, the Fair Board reserves the right to adjust the premiums in a class where there is only one competitor.

1. Minimum weight 225 pounds; maximum weight 300 pounds. The weight of each animal will be announced. No re-weighs.
2. Market class animals can be barrows and/or gilts. Barrows must be exhibited as market swine.
3. Market hogs will be limited to a maximum of 2 per exhibitor. Two (2) Market hogs will be sold.
4. Market hogs must be owned and in possession of exhibitor by the Saturday following Mother's Day.
5. Classes should not exceed 10 animals.
6. Restraining of hogs is prohibited. Any abuse with sticks or whips will not be tolerated.
7. Any market swine showing signs of being a boar shall be eliminated from the show.
8. Exhibitor must provide own bedding - no newspaper.
9. All animals must be provided with fresh water at all times and fed daily.
10. The adopted Code of Show Ring Ethics will be enforced.
